Finance (A.A) Department.

Letter No. 13699(A)-AA-7 dated 1-10-48.

To

The Secretary to the Government of India,
Ministry of Finance, New Delhi.

Sir,

Sub: Accounts - Claims between the Central and Madras Governments - Waiving of petty isolated claims - Money limit.

Ref: Letter from the Govt. of India, Finance Department (Now Ministry of Finance), No.F.2 (7)-F-II/45, dated 11-4-1945.

At the Conference of Financial Representatives of the Provincial Governments and the Central Government held at Simla in April 1922, it was agreed, as a general principle to be followed in settling claims between ~~between~~ the Central and the Provincial Governments for services rendered that neither side should raise claims, unless the amount involved was substantial, but no minimum was specified for regarding a claim as 'substantial'. In order to reduce correspondence and work during the war, this Government decided not to make any claim against the Central Government for amounts of Rs.1,000 and less unless it was likely that other claims of the same kind would arise. The Govt. of India agreed to reciprocate in the same way.

2. Even after the close of the war this Govt. continued to feel the necessity for reducing correspondence and work during the post-war period also, and have been extending the arrangement referred to in para.1 above by one year at a time. The present sanction lasts up to end of March 1949. I am directed to request that the Govt. of India may also accept the principle of not preferring claims of Rs.1000 or less against this Govt. for services ____ed up to the end of March 1949.

Yours faithfully,
Sd.....
